

HealthTech Week Postponed to 2021

HealthTech Week and Conference Postponed

On behalf of the organising committee MTANZ announces the postponement of HealthTech Week 2020 to the 21st to 23rd of June 2021.

The HealthTech Conference and MedTech CoRE events planned for the Cordis Hotel will not go ahead.

The James & Wells, MTANZ Awards and Gala Dinner also are postponed. 2020 Entries in both the Innovation and Manufacturing and Export divisions will remain valid for 2021.

Any registrations, sponsorship or exhibition payments will be refunded in full.

We look forward to welcoming the industry to HealthTech Week 2021.

In the meantime we wish our colleagues in the Health Sector the best knowing all will rise to the challenges as they present.

Kind regards
Medical Technology Association of New Zealand
